## Objective of the Awards

The OHSSAI 8<sup>TH</sup> Annual HSE Excellence and ESG International Awards 2023 shall recognize innovation, achievement, sustainability and commitment to improve HSE&S performance in participating organizations and honoring the top leaders behind them during the year 2022. These awards shall also facilitate solution providers for their innovative products or HSE&S solutions that make the life of Heads of HSE&S easy, making the awards more effective and result oriented. OHSSAI is also pioneer in 'HSE&S Lifetime Award', 'HSE&S Startup Award', and have now introduced 'Health & Wellness Award', 'ESG Award', 'Carbon Neutral Award', 'Diversity & Equality Award', 'OHSSAI Road Safety Award' and 'Students Award', too.

## Assessment Process

The assessment criteria are objective, comprehensive and rigorous. The assessment process comprises of following stages;

- Assessment of application is based on scrutiny and eligibility criteria of award.
- Application is forwarded to the Award Panel, for review at three stage i.e. assessment of documents submitted, onsite verification by site visits & final presentation.
- Compilation of Award Assessment and announcement of final awarding organizations in **7 Star** rating format, followed with award ceremony.

## Award categories and definitions

The Award categories and the parameters for evaluation may be changed / modified / split / merged / increased or cancelled by the Awards Panel based on the number of entries received in any category and the quality of the entries. The decision of award panel in this regard will be final and non-contestable. The Awards Panel shall not entertain any queries in this regard.

## Entries & Participation

The call for entries for the Awards may be announced in one or more ways, such as through e-magazine, direct contact with potential applicants, etc. and shall be construed to be adequate notice for call for entries. The Awards Panel has the right to ask for proof of information provided / audit the information provided in the Application Form, visit the plant, site or organization to confirm it, **at the cost of the organization**. If such a request is made and the Applicant does not comply, the Applicant could be disqualified from participation at the Awards.

# 8<sup>th</sup> ANNUAL HSE EXCELLENCE & ESG GLOBAL AWARDS

## Short-listing upto 5 applications in each award category

Application Forms received shall be collated under each award category for evaluation by Awards Panel. Determination of the Award category to which an application belongs is at the discretion of Awards Panel. Awards Panel reserves the right to make the final judgment in case of any ambiguity in Rules and Regulations / disputes over suitability. Initially the Award Panel shall select up to 5 Nominees per Award category based on pre-defined evaluation parameters who shall qualify for the final round. In the event no Application Forms in a category are found to be worthy of inclusion in the Awards, the Award category may be cancelled. The decision of the above short-listing is binding and final on all Applicants.

## Verification of the information provided in the Application Form

The Awards Panel shall contact the Applicant, if required, for any clarifications needed regarding the information provided in the Application Form and to conduct a physical verification of their premises (for shortlisted applicants only). The Awards Panel shall appoint qualified and OHSSAI authorized evaluators to visit the shortlisted applicants' premises to verify the information, claims and conduct impact evaluation on the initiatives showcased in the application form. The Awards Panel shall make the best efforts possible to contact the Applicants but shall not be responsible if the person does not participate in or does not agree to the conduct of the verification or are not contactable. In the event that it is not possible to conduct a verification of the Applicant for any reason beyond its control, Awards Panel may, at its discretion, disqualify the Applicant or continue in such other manner as deemed fit.

## Determination of Winners

The Award Panel shall score / rank the Nominees based on the Application Form submitted by them, the impact assessment visit and a presentation made by the Nominee in person. There could be one or more Winners in each Award category, at the discretion of the Final Jury. The determination of who should receive an award for any Award category rests with the Award Panel. The Panel's decision is final and binding on all Nominees. The Award Panel may also decide, in order to maintain high standards of these awards, that there could be no Winner in a particular category. Also, OHSSAI shall verify the standard being maintained **twice in a year by conducting surveillance audit (at the cost of applicant) to ensure that award is given to the deserving applicant.** The first visit will be during award evaluation and second visit may be random at short notice, post receipt of award. The applicant by applying gives consent for such two visits, at their own cost.

## Non-disclosure of Confidential Information

The Awards Evaluation Process may involve exchange of some Confidential Information, which is not available in public domain. OHSSAI Foundation and the Award Participants both agree to the following regarding the Confidential Information:

Each Receiving Party shall use all Confidential Information solely for the Purpose of OHSSAI Awards and:
